

GRAND COMPLETE™

The First All-In-One Inclusive Supplement for Horses

Grand Complete™ combines the most effective ingredients from our most popular products, Grand Flex, Grand Hoof Pellets, Grand Coat, and Grand Vite, into one unique formula targeting all the key areas for overall wellness of your horse. By providing this powerful, balanced formula daily, you simplify your program to provide support and help maintain the joints, hooves, coat, immune system, and digestive tract with the benefits of its “all-in-one” effectiveness.

Consolidating ingredients into one comprehensive product reduces your costs, and provides your horse with an effective support program. Grand Complete is even safe to use with reduced levels of other Grand Meadows products to further enhance your horse care program.

- Provide a powerful, balanced formula
- Simplify your supplement program
- Maintain joints, hooves, coat, immune, and digestive system
